District Board Has Certified Over 600 Names for Service.

Before the district board of appeals adjourns over the week end more than 600 names will have been certified for service to the adjutant general. Last night a total of 332 had been certified and this forenoon 30 names from Bennington county were added, making the total 362. It was stated by the clerk this forenoon that before night fifty or more names would be added to the total. The board has more than furnished enough men for the Sept. 19 call and is now working on the list for Oct. 3, when the second 40 persons will be called. Names have been certified from every county in the state now, 88 names having been certified yesterday from four counties, Chittenden, Lamoille, Franklin and Orleans.

The name of Mortimer Proctor, youngest son of the late Ex-Gov. Proctor, is included in the latest list of Rutland county men to be certified for service. He did not claim exemption of the local or district board. In contrast to this young man, is the case of Richard Cutler of Baltimore, Md., son of Harry M. Cutler, vice-president of the National Life Ins. Co. He was examined by the Washington county board because he is spending the summer in Montpelier. He passed the physical examination, but claimed exemption for a dependent wife. The claim was not allowed by the county board and he has pressed the claim to the district board. His wife is the daughter of Mrs. C. E. Moulton of this city, whose husband is actuary of the National Life Ins. Co.

Gov. Graham, Lieut.-Gov. Roger W. Hulburd and Speaker Dana of the House of Representatives will meet to-day or to-morrow at the State House to sign the engrossed acts of the 1917 general assembly. The statutes provide that before becoming a part of the general laws the acts must be signed by the governor and the presiding officers of the Senate and House.

Mr. and Mrs. Charles D. Mather of Baldwin street left last evening for Grand Rapids, Mich., where they will spend several weeks.

Stanley and Hector Farnham left last evening for Chicago, where they will purchase a carload of horses to be shipped to the Farnham stables here in Montpelier.

Mr. and Mrs. John M. Avery left last evening for Ticonderoga, N. Y., where they will visit relatives. Mr. Avery is taking a vacation from his duties as state legislative librarian.

Prof. Chester W. Wright of the University of Chicago is visiting in the city with his mother, Mrs. J. Edward Wright.

James Laird, son of Mr. and Mrs. Fred L. Laird of this city, will not return to Colgate college this fall, but has been engaged as athletic coach at Holderness school, Plymouth, N. H. He was one of the greatest athletes Montpelier high school ever turned out and started for

two years at Holderness in every branch of the sport. At Colgate last fall when that college had a championship football team he was first substitute fullback, an unusual distinction for a freshman.

Montpelier council, Knights of Columbus, elected officers and delegates to the state convention at the meeting Wednesday evening. The officers who were chosen will take office Oct. 1. They are as follows: Grand knight, G. O. W. Galaise; deputy grand knight, J. H. Gowdy; chancellor, Fred P. Dower; warden, Charles Reagan; inside guard, T. J. Guare; outside guard, John G. Flanagan; trustee, F. P. Dower; advocate, Joseph G. Frattini; delegates to state convention, Grand Knight Galaise and Past Grand Knight Frank H. Brown; recorder, J. E. Kennedy; financial secretary, J. L. Jerome.

Elmer E. Leach of Stowe, who was arrested in Pearl street yesterday and locked up on an intoxication charge, appeared before Magistrate H. W. Scott in city court this morning and acknowledged a first offense, paying the minimum fine and costs.

Tenants of offices, stores and shops north of Depot square have revived interest in the ancient game of quoits by laying out a court in front of the Parker harness shop. A number of spirited contests have been pulled off and so much excitement has been created that sizeable crowds of spectators are assembling daily in the expectation of witnessing a match between some of the experts who frequent the court.
